ADDITIONAL INFORMATION

1) Is your company currently Kosher certified or have you previously been Kosher certified? If yes, by whom?

2) Does your company have any 3rd party certifications (eg. SQF, BRC)? If yes, please list.

3) Is heat used at any point in the production process? If yes, briefly describe how heat is used.

4) Does your company co-manufacture or produce private-labels on behalf of other companies?

5) Are you currently Organic certified? If yes, by whom? If not, are you interested in Organic certification?

6) Are you currently registered with the FDA (USA)? If not, are you interested in FDA (USA) registration services?

Please list all ingredients used in plant. Include processing aids that are not mentioned on ingredient panels. Mark with an asterisk (*) ingredients used in products for which you are not requesting kosher certification. If more space is needed, please attach a spreadsheet with the requested information.

For plants with dairy or non-Kosher ingredients: Are liquids ever stored for more than 24 hours in holding or production tanks?

Please list all products to be Kosher certified.
Mark with an asterisk (*) products manufactured in the plant for which you are not requesting Kosher certification.
If more space is needed, please attach a spreadsheet with the requested information.

Brand names owned by company

*Note: Label copies with the kosher symbol should be submitted for review and approval prior to printing.
Products with dairy components will require a STAR-D symbol, except in specific situations.
